## SPA ETIQUETTE GUIDE

We would like all of our guests to arrive at least ten minutes prior to their scheduled appointment to guarantee the timeliness of our service delivery for all of our guests.

Arrive 15-20 minutes early to enjoy our relaxation area, robes, slippers and complimentary beverage bar prior to your scheduled services.

Quiet, Please. We would like all of our guests to please silence their cell phones and pagers before entering our facility.

For your convenience and security we will provide all our guests with a locker and key for you to keep with you during your visit. However, we do recommend our guests leave valuables at home. We are not responsible for lost or stolen items.

Male and Female therapists are available. Please inform our Customer Service Specialist of any preference you may have when you book your appointment.

This is a professional spa establishment. If at any time a therapist feels a guest is behaving inappropriately, they are authorized to stop the treatment immediately.

To protect our serene environment we ask that our guests do not bring small children to the spa. Children under 16 must be accompanied by an adult in the treatment room and children under 18 years of age must have an adult sign their initial consultation form. We kindly ask that children under the age of 12 be accompanied by a parent or adult in the front waiting area.

Ask your Customer Service Specialist for information regarding our Frequent Guest Program. We reward our guests with many benefits.

We accept all major credit cards, cash and gift certificates.

Gratuities are not included with any of our salon and spa services.

Gratuities are only accepted in the form of cash or check.

Express Checkout is available to simplify your visit. We will store your payment preference information in your file so you can leave blissfully.
